

2020 Cushion concerts

Especially special performances for our little ones.

Inspire your child's love of live music at a Cushion Concert. Each concert offers something different: classical chamber music, solo performances, bands and choirs, folk music and blues, and even the most stimulating new music from around the world thanks to our friends at BIFEM (Bendigo International Festival of Exploratory Music).

It's a fun, inexpensive and rewarding outing for your child and you!
