

FASHION SKETCHING

Fashion Designers need to be able to present their ideas visually. Most designers experiment with drawing to develop a style. In this exhibition try sketching fashion items you like in a range of different ways.

Capture the form and feel of one of Balenciaga's iconic fashion items you like using only a few lines.

Test and trial the technique here

I got it!

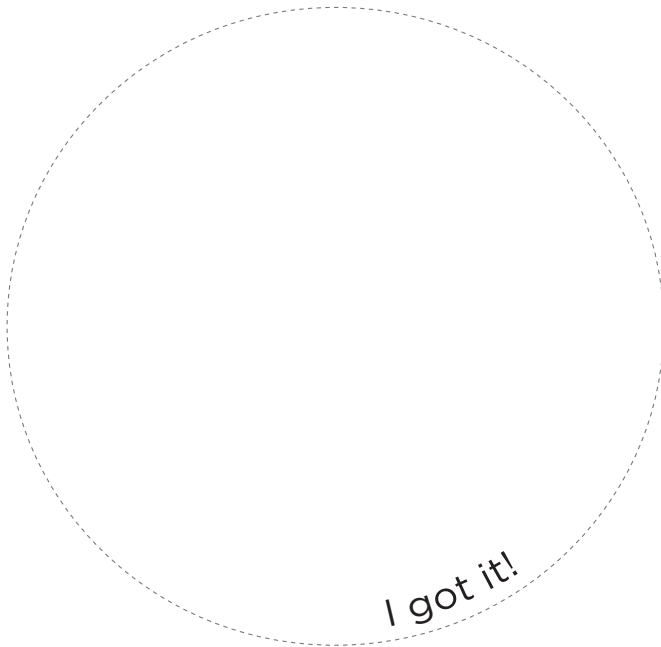

Now try sketching another item, using loose and scribbly lines.

Test and trial the technique here

I got it!

Now try sketching another item,
using thin and thick lines

Test and trial the technique here

Create your own fashion outfit on the model inspired by Balenciaga or another designer in the exhibition.

Try using some of your new sketching techniques to illustrate your design on the figure.
