

### TALKING STYLE

Fashion to you is about.....

Wearing whatever is comfortable.

Wearing what is in style each season.

Creating my own look.

Whatever.

Sketch some items of clothing in the exhibition you like. Think about why they appeal to you...

List or draw some of your favorite things to wear.....

## Shaping Fashion

Write down 5 words that describes Balenciaga's style?

Now choose an item of clothing in the exhibition you think you could improve on. Maybe you could make it more fashionable for 2019 or more sustainable.

Sketch and annotate your improved item below.
